Are you 17 years or older and not able to fly to the international GenFest in Brazil in July, but would like to be there? Good news: A local GenFest will also take place at Ottmaring from 19 July 2024 to 21 July 2024 and we would be very happy if YOU were there. Under the motto "Together to care", you can look forward to a great programme and a good time with old friends and new faces. To bring a little feeling of Brazil to Ottmaring and connect us with the Gen on site, we will be joining in via livestream for a few programme items.
